Final Environmental Impact Statement

Dear Ms. Francis:

In accordance with the National Environmental Policy Act (NEPA) of 1969, Section 309 of the Clean Air Act and Council on Environmental Quality regulations implementing NEPA (40 CFR 1500-1508), the U.S. Environmental Protection Agency (EPA) has reviewed the Final Environmental Impact Statement (FEIS) for the Department of Homeland Security Headquarters Consolidation at St. Elizabeths Master Plan Amendment – East Campus North Parcel, St. Elizabeths Campus in Southeast Washington, DC. EPA has determined that the General Services Administration has adequately addressed its comments within the FEIS.

Thank you for providing EPA with the opportunity to review this project. If you need assistance in this future, the staff contact for this project is Karen DelGrosso; she can be reached at 215-814-2765.

Sincerely,
